SU International Officer – Manu Pant (MP)
SU Volunteering Officer – Rhiannon Ackhurst (RA)

Attendees 7/20 in total – quorate reached if 11 or more. **QUORUM NOT MET.**

This extraordinary meeting was called to hear the presentations from applicants who weren't able to make the previous student council meeting on 18/10/19. Since this meeting

was called for sorting out this sole issue, any more general discussions will be saved until the next student council meeting.

Student Voice Chair, Societies Officer, and Postgraduate Taught Officer (Exeter) had all received expressions of interest during the open nomination period. All candidates were invited to give a brief presentation to Council, outlining why they wanted the role, any experience they had etc. Some were unable to attend the previous meeting so Council resolved to organise an extraordinary meeting next week for all those unable to attend. All candidates were emailed to this meeting and those who had given a presentation were given the option of presenting a second time. Since last meeting Laura Goodhead the applicant for PGT Taught Officer (Exeter) has decided to withdraw her application.

Since the Meeting has not made quorum, then CEO Sarah Davey has recommended that we capture the presentations either by transcript which can then be sent out to all Student Council members for them to consider and vote on over the weekend. Albert Duker who has already given his presentation but can't be here at the second council meeting is writing his speech up.

Student Voice Chair

Linus Lampe presented to Council previously and presented again.

Amanda Murphy was not present with no apologies

George Newton was not present with no apologies

Societies Officer

Albert Duker presented to Council previously, but wasn't able to present again today.

Charlotte Norridge presented.

Applicants who did not attend either meeting and did not send apologies, have been removed from the running.

Since quorum was not met it was advised by CEO Sarah Davey that council decide on who to co-opt via email. JF to collate everyone's speeches and distribute them to council members via email once he has received them all.
